Subject: Notification to Parents of Teacher Qualifications

Tomball ISD is happy to say that all teachers and paraprofessionals in the DISTRICT are Highly Qualified.

* A Highly Qualified teacher is one who has been licensed or qualified by Texas Education Agency for the grades and subjects she/he teaches.

As a parent of a student enrolled at a Title I campus, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires you to receive this information in a timely manner. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

a - Whether Texas Education Agency has licensed or qualified the teacher for the grades and subjects he or she teaches.

s - Whether Texas Education Agency has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.

« - The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.

* - Whether Texas Education Agency has licensed the paraprofessional.

If you would like to receive any of this information, please contact Rita Baker at ritabaker@tomballisd.net.
